

THE RUMBLE AWARDS

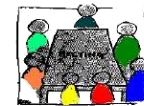

What is a Rumble?

The Pioneer Spirits are Experts by Experience and we deliver key messages about learning disabilities and differences

When one of our members, Keith Rumble, died we formed The Rumbles to spread happiness, just like Keith did. We call ourselves 'complimentary therapists'. The Rumbles serenade people with our songs and we pay people compliments

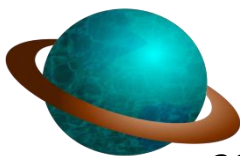

The Rumble Awards are Hertfordshire's Learning Disability Personality of the Year Awards

The Pioneer Spirits will plan, prepare and deliver the latest Awards Event, taking place in March 2017

We have chosen an Outer Space theme this year

We are supporting groups with learning disabilities across Hertfordshire to create a new song and a dance together, to design costumes, art pieces, table decorations and much more...

We will present awards and certificates and there will be a special award and a crown for the Winner of all Winners
